# EMERGENCY SPECIALISTS. WITH A 15-MINUTE GUARANTEE.

See an ER physician in 15 minutes or it's free.\*

In a medical emergency, speed is of the essence, second only to high-quality care. At Emerus 24HR Emergency Room, our ER physicians and team treat your emergency with speed, compassion and medical expertise. In fact, you will see an ER physician within 15 minutes, or your care is free\*. That's how seriously we respect your emergency and your choice to come to Emerus for treatment.

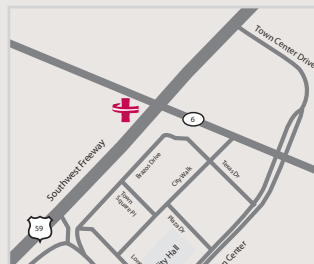

You will also have the advantage of:

- ER lab results in under 15 minutes on average
- On-site X-ray, CT scans and ultrasound
- Certification at the highest levels of emergency room medicine
- Inpatient care when an overnight stay is required

Advanced emergency care and a sincere sense of urgency. That's the difference Emerus makes.

\* Offer available for a limited time, only through Emerus. This offer does not include patient transfers or prescription medications. While this offer is only available for a limited time, patient wait times average 15 minutes or less at Emerus. Offer not valid on national holidays. Full details on the offer available at [www.emerus.com](http://www.emerus.com).
