Showcasing Adorable Sweeties

"Today, we got the fall 2011 edition of the magazine and we saw our daughter Shrika's picture on the Sugar Land [Babies page]. I am telling you we are so happy that I am almost crying with joy. Thank you so much - it means a lot to us. We feel privileged to be residents of Sugar Land, and we feel this place is the most special out of everywhere we [have] lived. Once again, we thank you and the whole magazine for choosing our daughter and please keep doing this. Kids are the most precious, and every smile counts."
