

Sweet Words | Letters and Emails from Our Readers

Wonderful Issue!

Another wonderful issue of *Sugar Land Magazine*! I finally had time to sit down and read the summer issue this weekend - fabulous feature stories and great graphics. And the kid pictures always bring a smile to my face! Maybe I should keep

an issue on my desk for a pick-me-up on challenging days. Keep up the good work!

-Nancy V. Mills, APR, The Mills Agency

Dear Nancy, Your letter brought a smile to our faces, too! Thanks so much for sharing your kind words.

Great Way to Stay Updated

The cutest baby I've ever seen is on the cover this month! How adorable - I have no idea who's cute baby that is, but how adorable. Thanks for producing this magazine! What a great way to stay updated on what's happening in the area!

-Marcie Carlson

Dear Marcie, We have even more adorable babies on page 114. We also have fall events on page 16.

Ooh Baby Baby

The baby on the cover of this issue is adorable. Thanks for the interesting article on The Sugarland Brass Company band. They are a great, fun band that I enjoy very much. Love the different music they play.

-Donna Urcinoli

Roller Derby Dynamite

I got the issue you sent, and I wanted to let you know that I think the story turned out fantastic! Thanks so much for featuring us! We are just as pleased as punch. The article was probably the most accurate about roller derby and our league that I've ever read.

-Tiffany Hamilton, chief communications officer for the Houston Roller Derby

Dear Tiffany, It was fun profiling all of the Sugar Land derby divas. Thank you for taking the time to share your feedback.

Making Memories with Family

I read your editor's note in the summer 2011 issue of *Sugar Land Magazine* about making memories. My oldest son is 23; he is a Marine, who will be visiting from Germany for the first time in two years. My youngest son is 14, and he misses his brother terribly. When my older son arrives in September, though it won't be summer, we will make memories. Just wanted to let you know that your article was touching and inspiring.
-Chatina DeRouselle

Dear Chatina, We hope you made some great memories with your Marine. Thanks for the sweet note!

OPENING DOORS

I would like to thank *Sugar Land Magazine*. The recent article you did on my band The Sugarland Brass Company has already opened doors for us that before this we couldn't even knock on. Our fan base has increased greatly, as well. Once again, thank you.
